If starting from Lac Carillon (Saint-Ubalde)

From Lac Carillon, you can reach the Refuge via a 4.3-kilometre hike:

- First take the sentier de l'Ours for 3.7 kilometres;
- Then take the sentier de la Glacière for 150 metres;
- Walk 500 metres on the sentier Montauban, where the refuge is located.

It is also possible to get there across Lac Carillon, about a 30-minute trip on the water. IMPORTANT: boats must be reserved in advance, before your arrival.
